**Community String Project
Use of Instrument Agreement - Youth**

I, the undersigned, am the parent/legal guardian of _____
(child's name and school), who is a participant in the Community String Project. I understand that my child has been granted permission to use a CSP _____(violin, viola, cello, bass), including the bow and the case, for use in the program **if available** . I also understand that this is a delicate instrument and that special care will need to be taken to protect the instrument.

In consideration of my child being permitted to use the instrument, I agree to accept full responsibility for the care of the instrument. Further, I agree to accept full financial responsibility for its replacement value (up to \$400 for violin, \$465 for viola, \$850 for cello, \$1700 for bass) should the instrument be broken, lost, stolen or, in CSP's estimation, irreparably damaged during the period that it is loaned to my child.

I also understand and agree that if the instrument is not returned by the agreed upon return date, the end of the current CSP season, or upon leaving the program, it will be considered lost and I will have full financial responsibility for the replacement value.

Additionally, I agree not to permit anyone else to use the instrument during the time period that it is signed out in my child's name and to take necessary precautions to ensure that my child does not allow anyone else to use the instrument.

I acknowledge that I have read and understand the terms of this agreement and that I am of legal age to bind myself to this agreement. This agreement has been executed on behalf of myself, my heirs and assigns. This agreement has been executed in and shall be interpreted according to the laws of the state of Rhode Island.
